ANIMAL SHELTER VOLUNTEERING

We offer a dog walking program and a cat program. Both will require a mandatory orientation class before you can start with us.

The dog walking class will teach you proper handling of the dogs and equipment. You'll learn where you can walk on the premises, and techniques to help manage the dogs while walking.

The Cozy Cat program will help you to better read a cat, and help them to adjust to their surroundings so that their stay at the animal shelter can be as positive and comfortable as possible. We also want to make your experience the safest and most proactive, so we will offer some tips and strategies for success.

Taking this into consideration, please indicate below which days you would be available to volunteer. Volunteer timeslots will be available at the class. (Please circle days available):

Monday Tuesday Wednesday Thursday Friday Saturday Sunday

Volunteer Descriptions

Cat Caregiver

The purpose of the cat volunteers is to help with the care of the shelter cats and give them love and attention. You will assist the staff with the daily care of the cats. This will include cleaning the cages, feeding, watering, scooping litter boxes, brushing, and socializing the cats. You may be asked to assist the public with visiting a cat for potential adoption.

Dog Walker

The object of the dog walkers is to get the dogs out of their cages and give them outside time. You will come to realize that this is their favorite time of the day. You will also be responsible for assisting the staff with daily bathroom breaks, exercise, and socializing. You will also be assisting the staff in getting to know the dogs better. You will see more of their personalities and behavior when they are out of their kennels.

Bathing and Grooming

The purpose of this position is to help make the animals stay at the shelter as comfortable as possible. Bathing and grooming of the animals makes the animal feel better and also makes the animals more adoptable. This will pertain mostly the dog population but on occasion it will apply to cats also.

Offsite Adoption Clinics

The purpose of this position is to assist shelter staff at offsite adoption events to find homes for our animals. You will be helping potential adopters decide on which new furry friend to add to their home.
