

NEW CONSTRUCTION QUALITY ASSURANCE PROGRAM**PERMIT FEE SCHEDULE**

Prior to the approval and/or issuance of a permit to construct, the applicant shall pay the District a fee as described below to cover the costs of construction inspection, certification, and "as-built" drawings:

Residential:

Single family unit:

Repair to existing lateral	\$150.00
New lateral connection	\$300.00
New connection to existing lateral	\$300.00
Inside grinder pump hookup	\$300.00
Outside grinder pump hookup	\$500.00

Two or more family units (fee is for each lateral):

Repair to existing lateral	\$300.00
New lateral connection	\$500.00
New connection to existing lateral	\$500.00
Inside grinder pump hookup	\$300.00
Outside grinder pump hookup	\$500.00

Grease Trap Permit \$600.00

Non-residential connections \$600.00

Change in occupancy \$700.00

Residential and Non-Residential Developments:

All connections require a permit. Fee to be based on contractor's time estimate in days times \$600.00/day (\$75.00 per hour). One (1) day equals eight (8) hours of inspection straight time. Total inspection fee will be the number of days/hours of inspection time including the preparation of as-built plans.

Private Systems: (i.e. apartment complex)

\$150.00/day (8 hours)

ALL PROJECTS: Fees other than those described above may be assessed by the District for projects with a high level of complexity.

Sewer District Charges:

Septage: \$25.00 per 1,000 gallons based on truck capacity for inside the District.

\$50.00 per 1,000 gallons based on truck capacity for outside the District.

Not accepted from outside Saratoga County

Sludge: Private and Municipal

\$25.00 per 1,000 gallons based on truck capacity for inside the District.

\$50.00 per 1,000 gallons based on truck capacity for outside the District.

Not accepted from outside Saratoga County

Quality Assurance Program

Review Fee: \$25.00 per unit calculated by scale of charges or design flows, if greater.

\$75.00 for a grease trap installation in an existing building.

Review fees other than those described above may be assessed by the District for projects with difficult site or water conditions or on projects of unusually high complexity or extensive off-site improvements. Additional fees will apply for projects requiring technical assistance in the review process.

All fees should be made payable to Saratoga County Sewer District No. 1.
