DIABETES SUPPORT GROUPS

American Diabetes Association

Pine West Plaza
Washington Avenue Extension
Suite 204
Albany, NY 12205
(518) 218-1755

The American Diabetes Association's Albany office is committed to educating the public about how to [stop diabetes](#) and support those living with the disease.

Juvenile Diabetes Research Foundation – Northeastern NY/Capital Region

950 New Loudon Road
Latham, NY 12110
(518) 477-2873
http://www.jdrf.org/index.cfm?page_id=100630

- **Bag of Hope** - is available to children recently diagnosed with type 1 diabetes. It contains specific information about managing Type 1 Diabetes, a blood glucose meter, Rufus the Bear with diabetes, educational and motivational information pertaining to Type 1 Diabetes. For more information please call the phone number provided or refer to the website. 
- **Mentor Services** - A mentor is a volunteer who is someone with a diabetes connection that will contact you and your family. A mentor can answer non-medical questions and share stories about personal experiences. [YES - I would like a mentor](#) 
- **Health Fair** - To educate the public, JDRF participates in many health fairs. Their staff and volunteers speak to the public about Type 1 Diabetes, research, fundraising, and outreach.
- **JDRF Adult Type 1 Toolkit** - As part of its expanding commitment to improve the lives of adults who have type 1 diabetes, JDRF has created a new resource called the JDRF Adult Type 1 Toolkit. www.jdrf.org/adult click for more information. 
- **JDRF kids online** - This website is designed for kids with diabetes, their families and friends. It is the perfect resource for keeping kids and families connected and informed through such services as pen pals. [click](#) 
- **Juvenation** - is a social network created by the JDRF especially for people with Type 1 Diabetes. Juvenile Diabetes Research Foundation recognizes the critical importance of ongoing peer-to-peer support for people with diabetes, so we've created various online programs to facilitate such support. Juvenation is open to anyone over the age of 13. [connect me](#) 

DIABETES SUPPORT GROUPS

- **Saratoga Adult T1D Network**

3040 route 50 in Saratoga Springs, NY 12866, call 518-477-2873 for more information.

The goal of this group is to develop a network where adults with Type 1 Diabetes, care givers, and families can come together and share mutual support, exchange information with guest speakers and discuss some of the struggles and triumphs about living with Type 1 Diabetes.

- **Sugar Free Gang (SFG)**-SFG is a diabetes learning and support group for children with Type 1 Diabetes and their families. SFG is designed to help participants cope with the daily challenges of living with diabetes and to learn they are not alone as they gather in support of one another. Programs are conducted for parents as well as children and are facilitated by Certified Diabetes Educators. All meetings are held monthly at 6:30 pm at the Ellis School of Nursing in Schenectady, New York. [Click here for info](#)

- **Type 1 Diabetes in College** - Everyone goes through some changes during the college years, and finding balance away from home can be a challenge for a person with Type 1 Diabetes. Whether you are just beginning to [prepare for college](#), or you're currently in the thick of it, the following links should provide you with practical information and tips for dealing with the unique issues you're facing.

BOOKS

487 Really Cool Tips for Kids with Diabetes

By Spike Nasmyth Loy and Bo Nasmyth Loy

Parents will learn a lot about how our kids view living with diabetes, while kids and teens will have a chance to learn how other kids deal with everyday issues such as sports, Halloween, eating out, camp, travel, and heading off to college.

Diabetes Information For Teens

By Sandra Augustyn Lawton.

A collection of 59 articles related to diabetes, covering everything from the different types of diabetes, insulin and oral medications, dealing with diabetes at school, complications (and how good control reduces their risk), athletics, the emotional aspects of living with diabetes, and driving, to name a few.

The Dinosaur Tamer and Other Stories for Children with Diabetes

By Marcia Levine Mazur, Peter Banks and Andrew Keegan.

A compilation of short stories about children with diabetes. The stories contain examples of some of the challenges that adolescents and teens with diabetes face every day and how they manage to overcome them.

Life with Diabetes, Lacie the Lizard's Adventure

By Dana Shepard

Lacie is a lizard with diabetes who uses an insulin pump. For younger kids with diabetes, Lacie can help them understand what diabetes is and what wearing an insulin pump is all about.

Donnie Makes a Difference

By Virginia L. Kroll

Donnie is a young boy who loves football. After trying out for the school team, he is diagnosed with diabetes. He is quite upset that he has to stop playing football with the team until his blood sugars stabilize. His family, friends and coaches help Donnie realize that he can make a big difference by being an assistant coach, since he knows so much about football

Getting a Grip on Diabetes

By Spike and Bo Loy

Written by kids for kids. Now young adults, Spike and Bo Loy were diagnosed as young kids with Type 1 Diabetes. This book contains their guidance about living successfully with diabetes and covers a wide range of topics, from school to athletics to travel to parties. It offers diabetes from the perspective of teenagers.

ONLINE RESOURCES/WEBSITES

<http://forecast.diabetes.org/>

Diabetes Forecast is a magazine for people who care about diabetes. Stay informed of the latest research updates, devices and technologies, while reading about how others live with this disease. Visit online to receive a free trial issue of the magazine and view recent articles.

<http://www.diabetes.org/living-with-diabetes/parents-and-kids/everyday-wisdom-kit.html>

The Everyday Wisdom Kit helps your family adjust to the everyday life with diabetes. Inside the insulated lunch bag, you'll find information for kids and teens with diabetes, parents and siblings as well. A set of juggling balls and the Everyday Wisdom card game are included for the whole family. You'll also find carb counting tools, an emergency contact magnet and more. Visit the link to get your Kit.

<http://www.diabetes.org/living-with-diabetes/parents-and-kids/planet-d/>

Planet D is an online experience for children with diabetes. Through diabetes information, personal stories and message boards, kids learn that they aren't so alone. A special thread on the Message Board exists just for siblings.

<http://www.diabetes.org/about-us/center-for-information-community-support.html>

Call 1-800-DIABETES (342-2383) or visit this site to get more information, or to be contacted by a parent of a child with diabetes who is trained to help other families through our Family Connections.

<http://www.diabetes.org/food-and-fitness/food/my-food-advisor/>

MyFoodAdvisor™ is an online nutrition tool that can help you figure out the number of carbs, calories, or fat in more than 5,000 different foods. It can also help you find recipes based on an ingredient or the number of carbs you want in a dish. This new online resource provides you with cooking tips, and a meal plan each month. Register for free and you'll have access to exclusive recipes and meal plans!

<http://www.health.ny.gov/diseases/conditions/diabetes/>

CDC.gov provides users with credible, reliable health information on Diabetes including: Diabetes Basics; Data and Surveillance; Interventions; Related Resources; Information for Specific Groups; and Epidemics.

ONLINE RESOURCES/WEBSITES

<http://ndep.nih.gov/>

The National Diabetes Education Program is a federally-funded program sponsored by the U.S. Department of Health and Human Services' National Institutes of Health and the Centers for Disease Control and Prevention. We are one of more than 200 NDEP partners working together at the federal, state, and local levels to reduce the morbidity and mortality associated with diabetes.

http://ndep.nih.gov/media/youth_schoolguide.pdf

This is a guide to Helping Students with Diabetes Succeed. Please use the guide to ensure that all students with diabetes are educated in a medically safe environment and have the same access to educational opportunities as their peers.
