BOOKS

An Early Start for Your Child with Autism: Using Everyday Activities to Help Kids Connect, Communicate, and Learn

By Sally J. Rogers PhD, Geraldine Dawson PhD, & Laurie A. Vismara PhD

Cutting-edge research reveals that parents can play a huge role in helping toddlers and preschoolers with autism spectrum disorders (ASD) connect with others and live up to their potential. This encouraging guide from the developers of a groundbreaking early intervention program provides doable, practical strategies you can use every day.

Autism: Explaining the Enigma

By Uta Frith

Deaf Like Me is a story of 2 young parents struggling to raise their deaf daughter, Lynn, in a hearing world.

Different Like Me

By Jennifer Elder

Different Like Me introduces children aged 8 to 12 years to famous, inspirational figures from the world of science, art, math, literature, philosophy and comedy.

Eight-year-old Quinn, a young boy with Asperger's Syndrome, tells young readers about the achievements and characteristics of his autism heroes, from Albert Einstein, Dian Fossey and Wassily Kandinsky to Lewis Carroll, Benjamin Banneker and Julia Bowman Robinson, among others.

Preparing for Life: The Complete Guide for Transitioning to Adulthood for those with Autism and Asperger's Syndrome

By Jed Baker

Typically, ASD high school graduates are unprepared for the transition to independence. Early, ongoing training in the social skills crucial to establishing successful adult relationships—in college, vocational school, residential living, or on the job—can help. He also guides readers through the legal, financial, educational, vocational, and community resources available after graduation.

The Autistic Spectrum: A Parent's Guide to Understanding and Helping Your Child

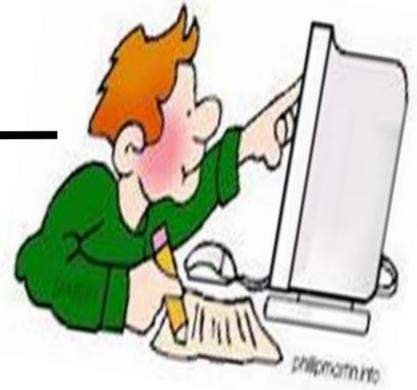

By Lorna Wing

This book explains the meaning of the Deaf-World. Topics that are covered include: Deaf culture, the benefits of signed language and Deaf culture for deaf children, how Deaf children are educated, the nature of American Sign Language, the role of technology in Deaf people's lives, and what Deaf societies in other countries can teach us.
