Dear Colleagues,

As many of you already know, we are moving our programs to a new location on South Broadway in Saratoga Springs. The bulk of the move will take place between October 7th and October 15th for the Clinic and for Alcohol & Substance Abuse Services. Friendship House will soon follow and be moved in by October 18th. We expect to be fully operational at the new site for all three programs by October 18th. We will curtail some of our treatment services during the move but we will not close at any time and we will continue to answer phones and respond to emergencies. We will keep our current phone numbers during and after the move.

Saratoga County Mental Health Clinic (518-584-9030)
Saratoga County Alcohol & Substance Abuse Services (518-587-8800)
Friendship House Continuing Day Treatment Program (518-885-4521)

We will be located on South Broadway in the old Topper Pontiac building between the Hilton Garden Inn and Mavis Tires at:

**135 South Broadway
Saratoga Springs, NY 12866**

By consolidating our programs in one location, we believe we can improve the overall quality of services to the citizens of Saratoga County who are dealing with mental health and substance abuse issues. We are very excited about moving into a beautiful building that has been newly remodeled and designed specifically to meet our needs. We look forward to seeing you at our **open house** which we are planning for sometime this winter.

Sincerely,

Peter C. Lacy, LCSW, CASAC
Assistant Director
